Dr. G. Robert Howard, M.D., Director
Physician's Assistant Program
State University of New York
Syracuse, New York 13210-1000

Dear Dr. Howard:

Physician's Assistant Program

We were delighted to have a copy of your July 10, 1991 letter forwarded to us by one of our former students.

They clearly told us that they had a number of our Professional Marketing Consultants. Please be assured that the provision of your copy of letter will be made a part of the agenda for this meeting. We will consider the development of a program which will be designed to satisfy the needs created by the Physician's Assistant Program.

We are looking into certain as well as delivery what possible we can furnish under your name has nothing to do with our company's work.

It will be in touch with you further when our committee has heard your idea.

Sincerely,

James L. Meyer
