DUKE UNIVERSITY SCHOOL OF MEDICINE

HOSPITAL BOX 2889

September 8 - 15, 1972

NATIONAL INTERN AND RESIDENT MENTION PROGRAM - Applications for the 1973 National Intern and Resident Mention Program have been forwarded to all senior medical students. The applications should be completed and returned to Mr. Walter Johnson, 295 Baker House by September 15, 1972. Any medical student who has accelerated, plans to begin his internship between the months of April and December, 1973, and has not received the application form should contact Mr. Johnson immediately. It is possible to withdraw from the program until the middle of November.

COMMITTEE ON SEX EDUCATION - The Sex Education Committee will begin teaching its course (Obg 432, "Teaching Sex to Adolescents") Tuesday, September 12 at 7:30 P.M. in room M-224. The course will meet every Tuesday night from 7:30 to 9:00 P.M. for ten weeks. All sessions after the introductory session will be held in the Pathology Conference Room (312, Davison Building). Enrollment is open to any student in the medical school, school of nursing and Physicians Associate Program, and to graduate students in the departments of clinical psychology, sociology, education, and divinity school. Only medical students and nursing students may receive academic credit (3 credits and 1 course, respectively.)

DIRECTOR'S HOUR - The first Director's Hour talk for this academic year will be held Thursday afternoon, September 14, 1972, at 5:00 P.M. in the Amphitheater. The guest speaker will be Dr. Oscar Theron Clagett, well-known chairman of the Department of Thoracic Surgery, Mayo Clinic, Rochester, Minn.

BIOCHEMISTRY SEMINAR - Dr. Dwight H. Hall, from the Department of Biochemistry, Duke University Medical Center, will speak on "Organization and Expression of the Genome of Bacteriophage T₄" on Friday, September 15, 1972 at 12:30 P.M. in room 147, Medical Sciences I Building, Duke University Medical Center. Coffee will be served at 12:15 in the lobby.
