Special-For Y'all

STUDENT-FACULTY SHOW

The time has come to transfer the paperwork to the stage. Yes, the 1979 Student-Faculty show is written and promises to offer great roles for all you closet singers, dancers and thespians. Have you always desired to be Shirley Osterhout, a Vet, Sue Kim, Ewald Busse for two hours? Do you have latent desires to shine in the spotlight? Do you want to use the tap dance routine you learned in first grade? Have you dreamed of being in a chorus line? Well, now is your chance to fulfill these dreams. On Tuesday evening, March 13, at 7:30 p.m. in the hospital Amphitheater the S-F show for April 21 will be cast. A reading of the show will follow on Wednesday evening. Come and join the fun and put your vocal cords to good use. See you there.
