FELLOWSHIP PROGRAM IN CLINICAL CARDIOLOGY: The San Francisco Heart Association announces a William J. and Dorothy Fish Kerr student fellowship program in clinical cardiology. The eight week fellowship is designed to broaden the student's clinical approach to cardiology, to further their career in cardiology or internal medicine, and to stimulate interchange of medical schools. Fellowships may be initiated any eight (8) consecutive weeks between July 1, 1972 and June 30, 1973. Any third or fourth year medical student is eligible and the stipend for the eight week period is \$600. Applications may be obtained from the Office of the Associate Director for Undergraduate Medical Education, 295 Baker House. The deadline for applications is March 1, 1972.

EDGAR VAN NUYS ALLEN MEMORIAL SCHOLARSHIP: The Minnesota Heart Association and The American Heart Association announce the Edgar Van Nuys Allen Memorial Scholarships for 1972. The Scholarships provide three (3) months of clinical training for medical students at the Mayo Graduate School of Medicine, Rochester, Minnesota. The hospital and clinical services offer a unique experience in the diagnosis and treatment of hypertensive and peripheral vascular diseases. Full time junior and senior medical students attending approved medical schools in the United States or Canada are eligible. The Scholarship Award is for \$1,500.00. Travel and living expenses will be assumed by the student. Three (3) scholarships are awarded each year. For additional information regarding application, contact the Office of the Associate Director for Undergraduate Medical Education, 295 Baker House. Applications will be accepted until March 1, 1972.
