

# SHIFTING DULLNESS

DAVISON SOCIETY NEWSLETTER  
DUKE UNIVERSITY SCHOOL OF MEDICINE

Hospital Box 2889

April 3 - April 10, 1970

## SPECIAL

✓ **ATTENTION ALL MEDICAL STUDENTS:** The Joseph P. Kennedy, Jr. Foundation announces a program of student awards in mental retardation. It can be a new research idea or an original application of existing knowledge in either medicine, education, physical education and recreation, or religion. First prize - \$1,000; Second prize - \$500. The concept must be presented and supported in less than 2,000 words. It should be in triplicate and received no later than December 1, 1970. Papers should be sent to: Student Awards, The Joseph P. Kennedy, Jr. Foundation, 719 Thirteenth Street, N.W., Suite 510, Washington, D.C. 20005.

✓ **ATTENTION FOURTH YEAR MEDICAL STUDENTS:** Candidates for first-year radiology residency positions throughout the country, available between July 1, 1971 and December 31, 1971, will be "matched" by a National Radiology Resident Matching Program. To participate in the matching plan, candidates should contact directors of radiology residency training programs in which they may be interested in serving their residencies. Applicant Agreement Forms are available from these directors or from the National Intern and Resident Matching Programs, Inc., 2530 Ridge Avenue, Evanston, Illinois 60201.

✓ **ATTENTION ALL SENIOR MEDICAL STUDENTS:** Mr. Tom Armao of the Burroughs-Wellcome Company will be at Duke on Monday, April 13, 1970, in the Medical Student Lounge from 11:00-2:00 to present a gift pack to all seniors.

**THE DIRECTOR'S HOUR SPEAKER** for Thursday, April 9, 1970, is:

Dr. Franz J. Ingelfinger  
Editor  
The New England Journal of Medicine  
Boston, Massachusetts

The topic of Dr. Ingelfinger's presentation is:

"Medical Literature; The Campus Without Tumult"

The presentation will be held in the Hospital Amphitheater from 5-6 P.M. on April 9, 1970. There will be a coffee-tea reception in the Hospital Cafeteria from 4:30 - 5:00 P.M. on the 9th in honor of our guest speaker. All faculty and students are cordially invited to attend.

**A RATIONAL APPROACH TO PHARMACOLOGY:** An ad hoc committee is being formed to work in the following areas:

- (1) The establishment of a course in clinical pharmacology to deal with the types of drugs physicians most often prescribe. The cost of drugs to the patient, generic versus brand name drugs, and misleading pharmaceutical advertising are topics which will be considered.
- (2) The feasibility that generic names be used on all prescriptions written in Duke Medical Center.
- (3) A change in form of the routine prescription blank so that all bottles will be labeled with the name of the drug unless the individual physician specifies otherwise.
- (4) The banning of drug company displays in hospital corridors.

Contact Ed Cox, Box 2729.

**ABORTION STUDY COMMITTEE:** In many parts of the country it is now possible to obtain a legal abortion. If you are trying to help someone obtain an abortion and need information on where to go, contact the Davison Society Abortion Study Committee, Box 2889.

2nd and 3rd YEAR MED STUDENTS: Anyone interested in a summer preceptorship experience with a small town GP on the Puget Sound in Washington State should contact Walt Maack, Box 2819.

PHYSIOLOGY AND PHARMACOLOGY SEMINARS: The Physiology and Pharmacology Department will hold the following seminars:

Thursday, April 9, 1970 at 3:30 p.m.

Dr. R. Podolsky of the Laboratory of Physical Biology, National Institutes of Health, Bethesda, Maryland, will discuss "The Relation between Calcium and the Contraction Kinetics of Muscle Fibers"

Friday, April 10, 1970, at 3:15 p.m.

Dr. Shinpei Ohki of the Department of Pharmaceutics and Biophysics, School of Pharmacy, State University of New York at Buffalo will discuss "Effects of Calcium and local anesthetics on phospholipid membranes."

Both seminars will be held in Room 385, Medical Sciences I Building and coffee will be served ½ hour before each seminar.
