October 9 - October 16, 1970

**ATTENTION ALL MEDICAL STUDENTS:** The Davison Society is the medical student body at Duke. To be an effective organization it must contain all regularly enrolled medical students. The Davison Society Council is composed of the president, service and social vice presidents, treasurer and secretary of the Society, and a president and four (4) representatives from each class. The Executive Council contains the first five (5) above and the class presidents. All council meetings are announced on the Davison Society Bulletin Board in the post office at least one (1) week in advance and are open to all interested members. Minutes of the meetings are posted after they are typed. It takes only three (3) minutes to read the minutes. Check to see what transpired and if your representative was there. Ask him to explain anything that is not clear. Names are posted in the upper right hand corner of the bulletin board. Thank you.
