Davison Society Announcements:

ATTENTION ALL MEDICAL STUDENTS: The SAMA Foundation has available preceptorships in the Spring/Summer/Winter of 1975... Applications are being accepted. The cycles range from 8 - 10 weeks in communities with medical students participating as part of a health team. Sites available include: Big Stone Gap, Virginia; Richlands/Tazwell, Virginia; Deer Lodge/Wartburg, Tennessee (Summer of 1975 and thereafter). If you anticipate that you can be available for one of the above cycles and you are interested in participating, contact the SAMA Foundation at the National Office. Tentative cut-off date for making application: Summer 1975--April 30, 1975. Write: SAMA Field Office, Univ. of Tennessee, HPER Building, 1914 Andy Holt Ave., Knoxville, Tennessee 37916. Phone: 615/974-3195.

SPECIAL SEMINAR: The departments of pathology and anatomy announce a special seminar by Dr. A.G.E. Pearse, Professor of Histochemistry in the University of London, Hon. Consultant Pathologist, Hammersmith Hospital, Fulbright Fellow and Visiting Professor of Pathology in the Univ. of Alabama, - on "New Developments in Cytochemistry" Friday, May 2, 1975 at 4:00 p.m. in Room 147, MSI.

DUKE UNIVERSITY COUNCIL ON AGING AND HUMAN DEVELOPMENT invites you to hear Margaret Paris, Head, Adult and Supportive Services, Division of Social Services, N.C. Dept. of Human Resources, speaking on "Planning services for older persons- Title XX." She will speak on Tuesday, May 6, 1975 at 4 p.m. Room 1504, Gerontology Building.

ADDITIONAL BASEBALL COACHES NEEDED: Additional baseball coaches are needed for the T-Baseball League for boys and girls ages 6-9 at the Durham YMCA. This is a most rewarding activity with a low time commitment. If you are interested, please leave your name, box number, and phone number in Dr. Bradford's office.

ATTENTION JUNIORS AND SENIORS: Southeastern Mental Health Clinic has several positions available for the summer months. We are looking for juniors and seniors to fill the following vacancies: 1) Director of a day camp for low income children. Salary dependent upon level and experience, but would probably range around \$1000 for two and a half months. Duties will officially begin the early part of June. 2) Camp counselors. Eight positions available with work beginning around June 23 and ending August 15. Salary approximately \$300. Please send applications to Dr. Howard S. Grotzky, Director of Children's Services, Southeastern Mental Center, Wilmington, North Carolina 28401.

SPECIAL NOTICE: The University of Missouri-Kansas City School of Medicine Area-Wide Residency has expanded in recent months. As a result, four additional first year positions are available in the Internal Medicine residency effective July 1, 1975. These positions are not available through the N.I.R.M.P. For further information, contact Mr. Lawrence J. Hagerson, Western Missouri Graduate Medical Education Consortium, 2220 Holmes Street, Kansas City, Missouri 64108. Phone: 816/421-4814.

ATTENTION ALL MEDICAL STUDENTS: There is a critical need for family physicians and other primary care specialists in Oklahoma. The Oklahoma Council for Health Careers, Inc., the recognized agency for physician placement in Oklahoma will assist any interested individuals in arranging visits to communities and interviews with practicing physicians. A brochure is available in Dr. Bradford's office explaining this free service for those who might be interested in establishing their practice in Oklahoma.

ATTENTION ALL MEDICAL STUDENTS: The DeBary Civic Association of DeBary, Florida, has sent information concerning the opportunities for establishing General Practices in DeBary. DeBary is a united and cooperative community largely of middle income retirees. The brochure is available for review in Dr. Bradford's office.

Information on the following special programs has been sent to Dr. Bradford's office and is available for review:

The 1975 Invitational Assembly for Advanced Urology- Pediatric Urologic Problems, sponsored by the Division of Urology, DUMC, to be held Sept. 18-21, 1975 in Pinehurst, N. C.

The Graduate Summer Session of Statistics in the Health Sciences, to be held at Vanderbilt University, Nashville, Tennessee, June 22-August 1.

This is the final issue of the Shifting Dullness for this school year. See you next fall.
