March 26 - April 2, 1971

NATIONAL INTERN AND RESIDENT MATCHING PROGRAM: Results of the 1971 National Intern and Resident Matching Program will be distributed at 11:00 a.m. on Monday, March 29, 1971, in the Hospital Amphitheater.

NEW ADDRESS: As of April 1, 1971, the new address for the Board of Medical Examiners of the State of North Carolina will be as follows:

Suite 214
222 North Person Street
Raleigh, North Carolina 27601
Telephone number: 833-5321

NATIONAL BOARD EXAMINATIONS: The deadline for registration for Part I of the National Board examination on a candidate basis is April 20, 1971. The examination is scheduled for June 15-16. All freshmen medical students are required to take Part I of the National Board examination. Applications for taking the examination on a candidate basis may be obtained from the Office of the Associate Director for Undergraduate Medical Education, 295 Baker House. For further information contact the Office of the Associate Director for Undergraduate Medical Education.

PHYSICIAN DRAFT: The Association of the American Medical Colleges has recently released a policy statement on National Service and the Physician Draft. A copy of this policy statement is being distributed to each medical student. A copy of the policy statement is also posted on the bulletin board in the medical student lounge.

MEMBRANE SEMINARS: The Department of Anatomy will sponsor the following seminars:

- March 29, 1971: Mr. Perry Karfunkel, Department of Biology, Yale University, will speak on "Experimental Studies on the Role of Microtubules and Microfilaments in Neurulation."
- March 30, 1971: Dr. Joseph S. Wall, The Enrico Fermi Institute, The University of Chicago, will speak on "'Weighing' Atoms and Molecules with the Crewe Scanning Electron Microscope."
- April 2, 1971: Dr. Kurt E. Johnson, Department of Biology, Yale University, will speak on "The Role of Changes in Cell Contact Behavior in Amphibian Gastrulation."

All of the above seminars will be held at 4:00 p.m. on the scheduled date in Bell Building Room 262. Coffee will be served before each seminar at 3:30 p.m. in Bell Building Room 264.
