DAVISON SOCIETY ANNOUNCEMENTS

SHIFTING DULLNESS, the newsletter of the Davison Society should appear in your box bimonthly, bringing announcements of activities, policy changes, and general information. Should you have an announcement you would like published, contact the Davison Society secretary in our sixth floor office.

DAVISON SOCIETY DANCE- The Davison Society is sponsoring a 50's dance Saturday, October 12 to be held in Card Gym. Everyone is welcome and tickets are on sale outside the cafeteria during lunch. Prices (including breakfast): \$2.00 each.

STUDY AWAY COMMITTEE: Any student who has participated in a term of study for credit away from Duke and who would be interested in serving on a review committee for such programs, please contact MaryAnn Forcica at Box 2764. Please give a short statement of your qualifications.

FLEX EXAM: The North Carolina written examination for medical licensure, FLEX, will be given at the Medical Society Building, 222 North Person St., Raleigh, N.C., December 3-5, 1974. There is a sixty (60) day requirement for completion of credentials.

MICROBIOLOGY SEMINAR: Dr. Bernard Moss of the Macromolecular Biology Section of the NIH will speak on "Polyadenylation and Methylation of Vaccinia Virus Messenger RNA" on Thursday, October 17, at 12:00 noon, at the David T. Smith Library, Research Park IV.

SEMINAR: The Duke University Council on Aging and Human Development presents Luzer Geitner, M.D., Director of Tel-Aviv University Medical School Hospital and Head of the Geriatric Department, who will give a seminar on "Rehabilitation Programs in Israel for the Elderly" on Tuesday, October 15, 1974 at 4 p.m. in Room 1504, Gerontology Building.
