THE EWALD

SPINAL CORD MEETING

The American Paraplegia Society will hold their twenty-ninth annual meeting at the Riviera Hotel, Las Vegas, Nevada, on August 22-24, 1983. The topic of interest will be "Spinal Cord Regeneration and Recent Developments in the Field of Spinal Cord Injury." For more information, see the Shifting Dullness folder in Linda Chamber's Office.

SENIOR MEDICAL STUDENTS OFFERED LOANS

AMSA is continuing its program of competitive interest rate loans of \$5000-7000 which may be used for any purpose. For information and application forms, call toll free 1-800-336-0158.

JUST FOR FUN

Our puzzle this week was rescued from past Shifting Dullness files as our Puzzle Editor is on vacation. For pleasure only, solving this puzzle will not win you a free trip to Martinique or worldly recognition.

You're learning everything about your profession...except how to plan it.

After years of studying and training, you'll be prepared to provide professional service and care. But what about managing a profitable practice...does your curriculum also include the principles of business management and financial planning?

That's where MAPS comes in. MAPS is the Mutual Association for Professional Services — a non-profit membership organization dedicated to solving the diverse administrative and economic problems of students and practicing professionals in the health care, legal and accounting fields.

MAPS representatives offer personalized solutions to the problems you encounter — providing the specialized resources and planning expertise that will help you now and throughout your professional career. From confidential loans and insurance programs to medical jackets and equipment leasing to name just a few.

All from one convenient source...to save you time and money.

For more information on MAPS, contact your local service office...and make sure your career begins the way it should...professionally.
