February 19 - 23, 1973

JOSIAH C. TRENT SOCIETY FOR THE HISTORY OF MEDICINE - Prof. Seymour Mausekopf, Associate Professor of History, Duke University, will present a lecture on "The Background to E.S.P. Experiments" on Thursday, February 22, at 8:00 P.M. in the President's Club Room in Baldwin Auditorium on East Campus of Duke University. Everyone is welcome.

COMMENCEMENT SPEAKER NOMINATIONS - The University Commencement Committee will consider applicants for nomination for student speaker at Commencement. Anyone who will receive a degree at the 1973 Commencement is eligible to apply. A statement of reason for wishing to speak should be submitted by February 16 to Paula Phillip, 104 Allen Building, ext. 6536. Interviews will be held the week of February 19.

STUDENT HEALTH - The Student Health Advisory Committee has as its concern all aspects of health care as it relates to students at Duke University. With this in mind, members of the Committee would appreciate any comments or suggestions concerning this health care in order that they might fulfill their responsibilities more capably. Members of the Committee include: Douglas Cnepp, Box 2753 Duke Hospital; and Steve Weiner, Box 2880 Duke Hospital.
