Hebrew University, Hadassah Medical School	June 14-August 20
Faculty of Medicine, University of Belgrade	March 8-May 15
Institution of Public Health of Serbia, University of Belgrade	March 8-May 15

Applications may be secured from the Office of the Associate Director for Undergraduate Medical Education, 295 Baker House. Deadline for submitting applications is September 25, 1970.

NATIONAL BOARD EXAMINATION PART I - SEPTEMBER: A tentative listing of the examination centers for the September 9 and 10 Part I examination has just been received from the National Board of Medical Examiners. It now appears that the closest examination center that will be available for Duke students will be in Washington, D. C. Also, for students who took the Part I examination in June and wish to take the examination again in September, the deadline date for application has been extended to August 3, 1970, for these students only. Application forms may be obtained from the Office of Associate Director for Undergraduate Medical Education, 295 Baker House.

CATHOLIC MASS will be said in the Hospital Chapel each Tuesday and Thursday at 11:30 a.m.
