

SHIFTING DULLNESS

May 21 - 25, 1973

SEMINAR - Dr. E.J. Shimshick, from the Department of Chemistry, Stanford University, will speak on "Lateral Phase Separations in Membranes" on Tuesday, May 22, 1973 at 4:00 P.M. in Room 273 MS1b. Coffee will be served in the hall at 3:30. All are invited to attend.

SEMINAR - Dr. Donald A. Fischman, from the Department of Biology, Univ. of Chicago, will speak on "Scanning Electron Microscopy of Differentiating Cardiac Muscle" on Thursday, May 24, at 4:00 P.M. in room 147, MF-1. This seminar is jointly sponsored by the Departments of Pathology and Anatomy. Coffee will be served in the hall at 3:30.

OPEN SEMINAR - The Duke University Council on Aging and Human Development presents a seminar by David T. Flaherty, Secretary of Department of Human Resources of N.C., who will be speaking on "Serving North Carolina's Older People". The seminar will be held on Tuesday, May 22, 1973, at 4:00 P.M. in Room 1504 of the Gerontology Building.

Mr. Flaherty, appointed Secretary of the Department of Human Resources by Gov. Holhouser, has had for many years an interest in the welfare of the people of N.C. As a state Senator, he served on Senate Committees on Education, Labor and Commerce, Mental Health and several others.

Mr. Flaherty's deep concern with the health and welfare of his community and state have led him to take responsibilities for leadership and service to youth as well as older persons.
