DONALD W. FISHER, Ph.D.  
EXECUTIVE DIRECTOR

July 26, 1974

Dear Program Director:

This communication is in response to the memorandum you recently received from Bob Jewett, M. D., reflecting your Executive Committee's thoughts concerning the incorporation of Association of Physicians' Assistant Programs. The specific purpose of this correspondence is to give you the opportunity to vote on this issue.

I have been assured by our attorney, Mr. Mike Paturis, that incorporating the Association will in no way affect our current tax ruling and subsequent foundation support. Incorporation will, however, provide the Association the legal protection it needs in dealing with our day-to-day business activities.

The Executive Committee is anxious to receive an affirmative return. Please complete the enclosed ballot and return to the National Office by Friday, August 10, 1974.

Thank you in advance for your cooperation in this matter.

Sincerely yours,

Donald W. Fisher, Ph.D.  
Executive Director
