U.S. NAVAL HOSPITAL: Any medical student who is interested in the U.S. NAVY please note that a member of the Duke house staff is arranging a two day visit to the U. S. Naval Hospital in Portsmouth, Va. This is a Navy teaching hospital and there will be opportunities to talk to Navy house staff, attendings, and chiefs of services about medical education, careers and satisfying military obligation in the U. S. Navy. We will leave Friday morning, January 14, 1972 from Duke and return to Durham the next day. Your only expenses will be for food and drink (we intend to attend Happy Hour at the officer's club). There is NO obligation to the Navy in accepting this offer and no attempt will be made to have you "Sign on the line." This is just an offer to allow those of you who may be interested in the Navy a first hand look. If interested, please contact Doug Lloyd at Box 3353 or at 682-2787 or 684-5314. Names are needed by the end of December.
