

MEMORANDUM FOR: Mr. Washburn, Chief, Federal Reserve, members of the Operating Committee for the Agricultural Trust, and Mr. James [Name]

FROM: Mr. Herbert A. [Name]

SUBJECT: Agricultural Training Grants

DATE: August 16, 1961

I would like to report to you that four agricultural training grants were approved by the National Agricultural Trust. The grants will become active on July 1, 1962, and will provide the same type of training as the previous grants. In addition to supporting the costs of instruction, each grant will support equipment maintenance help. The two agricultural training grants will also cover the costs of training programs for agricultural students' transportation and education's assistance.

Thank you for your help in securing this support for the Agricultural program.
