Dear Robert,

I have received formal acceptance from the Medical Society of the State of North Carolina of the AAPA Booth for the scientific exhibit area May 16 through 20, 1970. I am enclosing a copy of the letter of acceptance application for the exhibit and information concerning the exhibit.

I welcome any comment you might have concerning this. If there is any, please contact me at any time.

Sincerely,

Stephen L. Joyner
Physician Assistant

Ayden, North Carolina 28513

Dear Mr. Joyner:

Your exhibit "A New Concept in Medicine" has been accepted by the Committee on Scientific Exhibits for display at the Annual Meeting of the Medical Society of the State of North Carolina, scheduled for May 16-20, 1970, THE CAROLINA, Pinehurst, North Carolina. We look forward to seeing you and your exhibit and feel that much interest will be shown for your presentation. We trust you will be in attendance at your booth as much as possible as all booths are required to be manned during the usual exhibit hours.

Plan to ship via RAILWAY EXPRESS to Southern Pines, North Carolina, as method of most assured handling. See Item 10, page 2 of letter attached for details.

During the specific dates of the exhibition, uniformed police officers will be on duty to protect your display. In addition, a representative of the display firm will be on hand if you require assistance in setting up your exhibit and is available for last minute repairs, signs, etc. I will be on hand Saturday morning, May 16, 1970, to show you your assigned space location and to help you in any way I can.

Enclosed herewith is application for hotel accommodations. Please complete and return direct.

Please make particular reference to the memorandum on RULES GOVERNING TECHNICAL AND SCIENTIFIC EXHIBITS which we attach hereto.

Again, may I say we are pleased to have you present your exhibit, and we hope you will enjoy your visit with us at our Annual Meeting.

Sincerely,

Josephine E. Newell, M. D.
Chairman
