DAVISON SOCIETY NEWSLETTER  
DUKE UNIVERSITY SCHOOL OF MEDICINE

HOSPITAL BOX 2889

February 11 - 15, 1974

**STUDENT CLINICAL FELLOWSHIP PROGRAM** - Highland Hospital in Rochester, New York, is offering clinical fellowships to students who have completed their third year of medical school. One to three month appointments are available throughout the year. A stipend of \$100/week will be offered. For additional information, please contact Jacob W. Holler, M.D., Professor of Medicine and Director of Graduate Education, Highland Hospital of Rochester, South Avenue at Bellevue Drive, Rochester, New York, 14620. Applications are available in the Office of Medical and Allied Health Education 1003 Davison Building.

**THE DUKE UNIVERSITY COUNCIL ON AGING AND HUMAN DEVELOPMENT** - presents Harold N. Willard M.D., Professor of Clinical Medicine, Yale University, speaking on "A Medical Geriatric Care Unit: Past and Future", this Tuesday, February 12, 1974 at 4:00 P.M. in room 1504 Gerontology Building, Duke Hospital. Everyone is invited to attend this open seminar.

**SEMINAR** - Dr. William C. Summers, from the Department of Molecular Biophysics and Biochemistry of Yale University, New Haven, Connecticut, will speak on "Regulation of RNA Metabolism in T7 Phage Infected Cells". This seminar will be held in the David T. Smith Library, Research Park IV on Thursday, February 14, 1974 at 12:00 noon.

**ROCHE PATIENT MANAGEMENT SIMULATION #7** - may be picked up in the Office of Medical and Allied Health Education, 1003 Davison Building.

**FOUND** - One green notebook with initials "F & E" in upper right hand corner. May be claimed in the Office of Medical and Allied Health Education, 1003 Davison Building.

**PHYSICIAN SHORTAGE AREAS** - for purposes of cancellation of Health Professions Student Loans and Repayment of Educational Loans Pursuant to an Agreement: A manual published by the Department of Health, Education and Welfare identifying these areas is located in the Office of Financial Aid, 706 Davison Building. Please stop by and browse through this publication--you may be surprised at the many areas qualifying under this program.

**1974 ALFRED A. RICHMAN ESSAY CONTEST** - The American College of Chest Physicians announces the 1974 Alfred A. Richman Essay Contest. The annual contest was instituted 25 years ago in the interest of motivating and encouraging scientific inquiry in respiration and circulation among undergraduate medical students. The contest offers medical students throughout the world the opportunity to submit, in open competition, manuscripts on any phase of the diagnosis and treatment of cardiovascular or pulmonary disease. A certificate of merit and cash awards are presented to the undergraduate medical student selected by the judges for the best essays on cardiovascular and pulmonary diseases. The first place award is \$500, second place award is \$300, and third place award is \$200. The medical school attended by the first place winner receives a trophy inscribed with the name of the winner and medical college. The deadline for submitting applications is March 31, 1974. For additional information and application forms contact the Office of Associate Director for Undergraduate Medical Education, 1003 Davison Building.

**MOONLIGHTING** - In view of the recent controversy regarding Duke's policy on moonlighting Dr. Anlyan has appointed a student-house staff-faculty committee to review the current situation in terms of "legitimate" outreach activities, and to come up with recommendations regarding Duke's policy in this regard. Students wishing to express their opinion on this issue should write to the Davison Council, Box 2889.
