Scholarships and Financial Aid

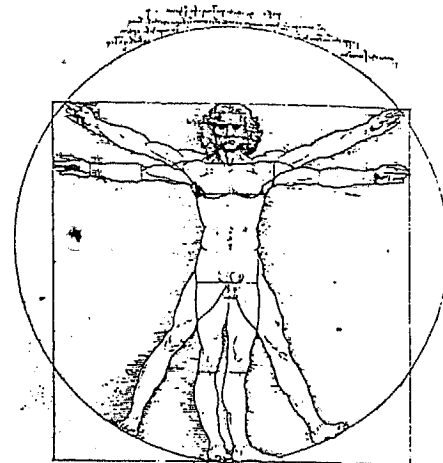

NAVY SCHOLARSHIPS

Be the Doctor you want to be. In the NAVY. Dr. John Coulson, a Navy Flight Surgeon, will be at the 6th Floor Duke Medical Student's Lounge, Thursday, April 19 to discuss NAVY medicine and full medical school scholarships. Take advantage of this opportunity to speak with a NAVY physician--get the "bottom line" on NAVY Medicine and scholarships--opportunities which could be worth \$50,000.

NORTH CAROLINA EDUCATIONAL LOAN PROGRAM FOR MEDICAL STUDENTS

The General Assembly approved an increase in loans for North Carolinians who intend to practice their profession in a shortage area of the state on March 16, 1979. The funding for 1979-80 will be \$6,000 rather than the previous \$4,000 per year. Further information may be obtained from the Office of Financial Aid, 123 Davison Building, Telephone 684-6649.

Come To The Renewal of Systems*

* An informal gathering of clinical faculty, housestaff, and medical students of all classes on selected Friday afternoons from 5 until 7 PM during the year. Beer, soft drinks, and snacks will be provided as an additional enticement.

THE DEPARTMENT OF PSYCHIATRY

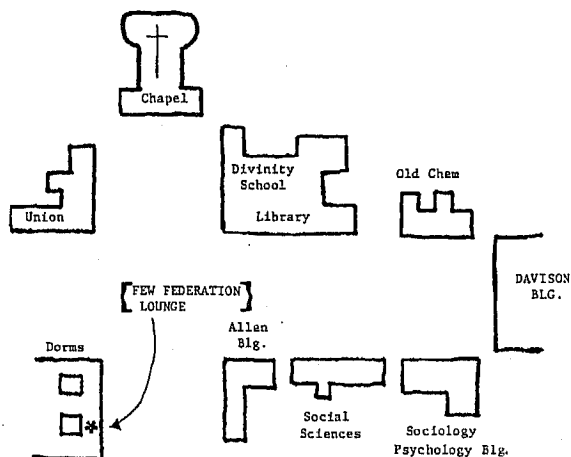

and the Davison Society, the medical student organization, are co-sponsoring the next reception. You and the other department members are specially invited by the medical students to be our guests.

From the Dean's Office

Brantwood Camp, located in Southern New Hampshire, is a ten-week overnight camp for underprivileged boys in the New England area. It is owned and supported by Saint Mark's School in Southborough, Massachusetts, serving groups of 70 boys which change every two weeks for eight weeks in July and August. The camp is looking for a second year medical student or above to act as the camp doctor for the coming season. Medically, the camp is served by a town physician, but the camp doctor tends to minor outdoor injuries plus basic examination of campers. The salary is \$1,000 plus all room and board. The information that we received includes nothing concerning malpractice insurance. For more information please see Mary or Jeanne in the Dean's Office.

ATTENTION SECOND YEAR STUDENTS

Burroughs Wellcome Company has provided a pocket notebook for all second year students whose names are on the list to receive information from the drug company representatives. The book is inscribed with your individual name. Please come by the Associate Dean's office for your copy.

GRADUATING SENIORS

The Hippocratic Oath invitations are here. You may stop by and pick these up anytime. See Mary or Jeanne.

Our office has received a memo from Central Campus Housing concerning a study which was done on available housing for incoming students. According to them this year will be especially bad due to an increased enrollment at the University of North Carolina. If you are moving from Durham, changing your housing situation, etc. please let us know if you have any information on available housing so that we can keep this information for incoming students. Please see Mary Hicks if you do have this kind of information.

Externships, etc.

There are ten individually tailored internships or preceptorships (average value \$1,000) for 2 - 6 week period in medical and related institutions and/or organizations with emphasis on acquiring educational research and management skills and developing role model-mentor relationships that will further the goal of educational equity for women in medicine to medical students and housestaff. There are 8 to 10 small grants made for educational research and action projects with a focus on local problem-solving to achieve equity for women in medicine (value \$500 - \$1,000). Detailed information and application forms are available upon request from the American Medical Women's Association. The deadline for submission is April 25, 1979. If anyone is interested, please see Dr. Shirley Osterhout.

Information on 4th year electives at Cornell University Medical Center is in the study away file in the 6th floor lounge.
