November 12 - November 19, 1971

SAMA-UTMB NATIONAL STUDENT RESEARCH FORUM: The SAMA-UTMB National Student Research Forum will be held April 20-22, 1972, in Galveston, Texas. The annual program was instituted eleven years ago to encourage and recognize outstanding research in the basic and clinical sciences. The forum will feature The Mead Johnson Awards, The Roche Awards, The Gip A. Hudson Memorial Award, The Houston Awards, and The James W. McLaughlin Awards. The forum is open to medical students, graduate students registered in medical schools, and interns and residents. Participants must present their papers at the forum. Abstracts of 200 words or less must be received by February 23, 1972. Further material, and the official "Call for Papers" will be mailed in the near future. For further information write:

1972 SAMA-UTMB National Student Research Forum
Room 207 Libbie Moody Thompson Basic
Sciences Building
The University of Texas Medical Branch
Galveston, Texas 77550

SAMA-EATON MEDICAL ART AWARD: The SAMA-Eaton Medical Art Award Competition offers national recognition to anyone in the health care field with an interest and talent in graphics. The 1972 award competition will present cash prizes and plaques to first, second and third prize winners in medical photography, photomicrography, medical illustration and photoessay. Honorable mention certificates will also be awarded. Entries must be received by SAMA no later than January 15, 1972. For official application and rules for the competition, contact the Office of the Associate Director for Undergraduate Medical Education, 295 Baker House.

DIRECTOR'S HOUR: The guest speaker for the November Director's Hour Program will be Merlin K. DuVal, M.D., Assistant and Scientific Affairs, Department of Health. DuVal will speak on Saturday, November 13, Hospital Amphitheater.
